Nicole Angela Morgan-Burgess

22.10.86-12.11.21 Age 35

All of those who had the pleasure of knowing Nicole agree she was an incredible spirit who bestowed grace and love on everyone she met. She was full of energy, always cheering on the students she supported as an Educational Assistant and Child and Youth Worker within the WRDSB. She was a life-changing support for a special student who only looked forward to going to school to play basketball everyday with Nicole. She was a fair but firm, a fun, caring, and genuine hard worker.

Those who knew her could recognize her beautiful smile, and infectious laugh from afar. A light, a spark with endless generosity and an abundance of love. Her vibrant lipstick colours that matched her personality perfectly, are a fond shared memory of many friends and colleagues, just another reason she was so beautifully unique.

Gentle, selfless, strong and special, shining positivity on the world she left too soon. She will be extremely missed by many including her friends, colleagues, siblings and parents. The sadness is only alleviated by the faith that she is now reunited with her husband, Andrew and Grandmother, Luna.
