Dear Members,

We are excited to announce that nominations are now open for the Student Awards and the prestigious Member Appreciation Award! These awards provide an opportunity to honor exceptional individuals who are making a significant impact within our community.

The Student Awards aim to recognize students supported by our members who are excelling in their programs and demonstrating outstanding achievement. It's a chance to celebrate their dedication and hard work.

The EAA Member Award is designed to acknowledge a member who goes above and beyond in supporting the students we serve, while also demonstrating a commitment to continuous learning, growth, and excellence in their role as an Educational Assistant or Child and Youth Worker.

Nominate deserving individuals who embody excellence, dedication, and a passion for making a difference in the lives of others. The deadline for submissions is May 10th, 2024.

The awards committee will carefully review all nominations, and the winners will be announced at our upcoming Annual General Meeting on May 28th, 2024.

Let's come together to celebrate the exceptional achievements of our students and members. Help us recognize those who are making a real difference in our community!
