The Latest Information to Keep YOU Informed

Dear Members,

I would like to update you regarding our stance and that of our Collective Bargaining Unit EWAO-ATEO with regards to CUPE Members and their planned actions this coming Friday. The recent legislation tabled this past Monday by the Ford Government to remove free Collective Bargaining for some 55,000 CUPE Members in the education sector is being seen as draconian and more in tune with that of a dictatorship.

This legislation strips away the right to free Collective Bargaining and the right to strike…..both of which are protected by the Charter of Rights and Freedom.

The Ford Government's actions have made it clear that they will continue to suppress the education sector for the next four years, allowing for its workers and students to continually fall further behind. Important issues affecting students and staff will be ignored.

EWAO-ATEO stands in solidarity with CUPE and rejects the Government's assertions that the legislation was necessary. The best Collective Agreements are those that are freely bargained. We encourage our

In Solidarity,
