Educational Assistants Association

E-News Updates

Dear Members

This announcement is regarding the remedy payment for our court victory regarding Bill 124.

We are at this time in the midst of negotiating the timing for these payments - having already agreed that the amount to be paid will be the same as that of other unions. Our goal of course is to have these monies paid out to you as soon as possible.

Collective Agreement Negotiations. We will let you know as soon as this process is concluded.

We are also still negotiating our Local Collective Agreement language where progress continues. We will keep you updated as things progress.

Yours in solidarity

Colleen Dietrich Sisson
President

Lisa Weiler Haskins
Vice President
