CENTRAL NEGOTIATIONS UPDATE

Dear Members:

The purpose of this email is to update you regarding the status of Central Bargaining. We are pleased to report that we made some positive progress at the Central Bargaining table over the past two days with the assistance of a Conciliator from the Ministry of Labour. We will be meeting with the Conciliator again in the coming weeks.

In the meantime we will be focused on resolving remaining issues at the Local Bargaining table where we are negotiating directly with the School Board. At this table, progress continues to be slow. We will be meeting locally again on April 11 and April 18, 2024.

We will continue to update you as things progress.

Yours in Solidarity,

Colleen Dietrich Sisson
President - EAA

Lisa Weiler Haskins
Vice President - EAA
