

E-Blast

Collective Bargaining Update

Here is a brief update regarding central table bargaining. Over the summer months we have been working hard with our union partners at the EWAO-ATEO table to prepare for collective bargaining. There are many important issues to be discussed. We are canvassing bargaining dates for September and October.

Broader Escalations

Other major tables including ETFO, OSSTF, and OSBCU (CUPE), have reached an impasse with the Crown on scope (defining what is bargained locally versus centrally) and have filed their complaints with the Ontario Labour Relations Board. While we do not expect a different outcome regarding scope at our table, we must continue moving forward in our process.

As we proceed, we remain standing in strong solidarity with our union partners across all tables. Because of this shared commitment, our progress will continue to move in step with the broader bargaining effort.

We remain committed to keeping you informed and will send out further updates as new information becomes available.

Thank you for your continued support and solidarity.

SOLIDARITY

Eight Education Union Leaders Standing in Solidarity

Over the summer provincial leaders representing EWAO-ATEO, OCEW, OPSEU, AEFO, ETFO, OECTA, OSSTF-FEESO, and CUPE-OSBCU—representing roughly 280,000 education workers across Ontario—are standing together to defend public education, protect workers' rights, and advocate for better student supports. Though we represent different roles and unions, we stand united in our commitment to strong public services and a better future for students and workers.

Attention supply members: Please report your training time using the **Google Form**

below to ensure that you are paid for mandatory board directed training.

The Google Form must be accessed from your @wrdsb.ca gmail address.

Please submit ONE Google Form once ALL of your mandatory training is completed.
