## The Latest Information to Keep YOU Informed

Dear Members,

January 19, 2022, is our annual EA and CYW Appreciation Day. We know that this is a challenging time for everyone and now, more than ever, we appreciate the role our EA/CYW members provide to our most vulnerable students. We know many of you are exhausted and anxious about what the year ahead will look like, but we want to give you one night to clear your head and hopefully share a laugh.

This year we will be having a special online event **the night before on January 18th from 6:30pm-8pm.** Our speaker, Derrick Tennant, is an internationally known stand up comic and motivational speaker with a few magic tricks up his sleeve and an even more special guest, his sister Julie who has Down's Syndrome. Derrick and Julie specialize in encouraging others to use obstacles as opportunities. More information on how Derrick and Julie became an entertaining brother sister duo is on their website: http://www.thelovechromosome.com

Keep an eye out for the link to register and we look forward to hosting this event with you all on Tuesday, January 18th.

We wish you all peace, health and happiness.

Your EAA Executive Team
