The Latest Information to Keep YOU Informed

Hello EAA Members,

First and foremost, we hope everyone is doing well and staying safe! These are truly unusual times and we are all grateful for the work you do!

One of our ongoing goals is to find better ways to support all of you. One way we can better achieve this goal is to create a plan for supporting all our Keys with the hopes they can better support all of our colleagues at their schools. This is going to be a collaborative process that when in place will run smoothly for everyone. Our aim is to create an accurate list of all Keys, create a fluid folder, for all Keys, with resources for their bulletin boards, hold 1 or 2 Town Hall Meetings for our Keys, and maintain communications throughout the school year.

Our Keys are vital resources in our schools. They welcome new Members at their individual schools, direct Members to appropriate Union Executive Members and the EAA Website, maintain their school bulletin boards, and update the appropriate Union Executive Members of their school Members life events.

At this time, we are asking all Keys to please email Lisa Cornish. We need the following information:

1. name of your school
2. how long have you been a Key
3. number of EAs and CYWs at your school
4. email address to contact you at (not your WRDSB email)

We are also asking all Keys, if this has not already been done, to please touch base with all our Members at your school and see how everyone is doing. Please contact either one of us if you have any questions or concerns. We are here to support all of you.

While many of our schools have Keys, there are still many that do not. If you are interested in becoming a Key, please contact us.

Respectfully yours,

Lisa Cornish, EAA Representative

Rochelle Christie, CYW Representative
