We are thrilled to announce the launch of our brand-new EAA Website!

While our web address remains exactly the same—www.wrdsbeaa.com—the site itself has been completely redesigned to better serve you. It is now your central hub for EAA news, important resources, executive contact information, minutes, and past e-blasts.

Your First Time Logging In? (Action Required)

To get started:

1. Go to www.wrdsbeaa.com.
2. Click on the login area and select the **"Forgot Password"** or **"Reset Password"** option.
3. Enter the **personal email address** that the union has on file for you.

Important Note: Password reset emails can sometimes end up in the wrong place! Please be sure to check your **Spam or Junk folders** if you don't see the reset link in your main inbox within a few minutes.

**Update Your Profile & Keep Information Current**

Once you are successfully logged in, please take a moment to visit your member profile. We have added dedicated spots for you to customize your account, including:

- Adding your **Date of Birth**
- Adding your **Personal Pronouns**
- Verifying and updating your **Phone Number** and **Mailing Address**

Please Note: Keeping your contact information current on the EAA website ensures you never miss vital union updates. However, changing it here only updates the union's records. **If your phone number or address is incorrect, you will also need to update it with the employer separately.**

**Don't Have an Account or Need to Update Your Email?**

Any active member with a personal email address currently in the union's records will have access to the site using the password reset steps above.

If the system doesn't recognize your email: This means we likely do not have your current personal email address on file yet.

What to do: You can easily click the **"Request Account"** button directly on the main page of the website to submit your information. Please note that it will take our team **1–2 business days** to process your request and get your account activated.

Thank you for your cooperation as we transition to this upgraded space. Go check out the new look and explore everything your new site has to offer!
