**On behalf of the Professional Development Committee of the EAA; we wish to extend our gratitude for your support and participation on our second virtual EAA PD Day.**

**With our second virtual PD Day behind us, we'd like to take a moment to thank each of our presenters, Members, and donors who made this year's event a successful one!**

**With almost 900 participants, we are happy to say that the EAA has successfully found a new setup for providing quality content to our membership.**

**Thank you to the Members who took the time to fill out the survey. We were so happy to read all the positive and constructive feedback, and have already started discussing how we can make next year better. While we aim to bring new topics and training to our events, we hope you will consider joining the PD Committee and sending in your interests for our next event.**
