Core Day LTO, EA Members and Child and Youth Workers Only

To better understand and advocate for the needs of the students we support, the Association is asking all Core Day LTO and Permanent Educational Assistants and Child and Youth Workers to complete a brief questionnaire. This short survey will help us gather important information about the student needs and supports currently present in our schools. Your responses will directly inform future advocacy, planning, and discussions with the Board. This questionnaire takes only a few minutes to complete, and your participation helps strengthen our collective voice and student support advocacy.

Thank you for supporting this important initiative.
