E-Blast

Good afternoon everyone,

Attached are three EAA grids for your reference to verify the Bill 124 and Wage increase retro pay.

1. the original grids
2. the Bill 124 grids
3. the wage increase grids

Please be aware:

- The exact number of hours per year can vary slightly due to when summer break starts (not a full week)
- This is a Gross amount and taxes will be taken off of the total

- Amounts vary depending on what grid step you were on during the affected years

If you find an error in the calculations, your first step is to reach out to your payroll rep with specific details of the discrepancy.
