Conestoga College Visit

Last month Colleen and Lisa were invited to speak to the 1st year students and graduating students in the Education Support Program at Conestoga College.The presentations went well and the students had many questions.They also expressed their reasons for choosing this career and how much they are enjoying their placements.Two great opportunities to connect and encourage Education Support students to choose the WRDSB and the EAA. We look forward to building stronger relationships with Conestoga College and the students in the Education Support program.
