Join the October 29 Walk-In – Oppose Bill 33 & Defend Public Education

Dear Members,

We are calling on all members of the Educational Assistant Association to participate in a Walk-In Event on Wednesday, October 29, 2025, organized by Together in Education (TIE).

This collective action is a critical opportunity to stand united against Bill 33 — harmful legislation that threatens our profession and the foundation of public education in Ontario. All bargaining groups in your school will be participating, demonstrating a shared commitment to protecting our students, our schools, and our democratic voice.

Why We're Walking In

Bill 33 is an attack on:

- Inclusive education

- Local democracy

This bill strips away the authority of locally elected school boards, centralizing decision-making power at the provincial level. In doing so, it silences the voices of parents, educators, and communities, paving the way for:

- Program cuts
- Reduced student supports
- A one-size-fits-all model that ignores local needs

Stand Up, Speak Out

As Educational Assistants, we witness the importance of inclusive education every day. We know what's at stake. By walking in together before the school day starts, we send a strong, united message:

We will not stay silent while our work, our students, and our democratic rights are under attack.

Event Details

-  Date: Wednesday, October 29, 2025
-  Time: 30 minutes before school start time (site-specific)
-  Location: Your school site, off of school property (e.g., sidewalk in front)
-  Wear: Red or union colours

 If your scheduled working hours begin before the Walk-In, please continue your work duties as usual. You can still show your support by wearing red or union colours.
