The Latest Information to Keep YOU Informed

Dear Members

The purpose of this email is to provide you with an update regarding Central Bargaining. Our latest meeting was on Wednesday November 23, 2022.

We are pleased to announce that we have come to an agreement on which items will be bargained centrally vs which items will be dealt with locally by our school board directly. Having completed this stage of the process, we are now in a position to communicate our proposals and interests centrally which will take place in the coming weeks.

We will keep you updated as things progress.

Yours In Solidarity,

Colleen Dietrich Sisson
President - EAA

Lisa Weiler Haskins
Vice President - EAA
