Bargaining Update # 3

Dear Members,

We want to share a quick update on central bargaining at the EWAO-ATEO table.

Discussions have reached an impasse with the government over central scope items. The government wants to address many important local issues at the central table, which would remove them from our local negotiations with our Board. We disagree. This is the same issue faced by other education unions, including OSSTF, ETFO, AEFO, OPSEU, OECTA, OCEW and OSBCU/CUPE.

To protect our bargaining rights, we are joining forces with these unions to take the issue to the Ontario Labour Relations Board (OLRB). Legal counsel across the sector are filing applications under the School Boards Collective Bargaining Act to resolve this scope dispute.

We will keep you posted as soon as there are updates from the Labour Board.

Thank you for your continued support and solidarity!
