The Latest Information to Keep YOU Informed

Good afternoon:

On July 30th the Minister of Education provided direction to schools boards for the reopening of schools plans for September 2020. This means that this September secondary students will return in a hybrid model, with enhanced health and safety protocols in place. Details about the WRDSB plans can be **found here**.

We have been advised that the Board has made every effort to ensure that the health, safety and well-being of our Students and Staff remains a top priority.

In collaboration with the Board's Joint Health and Safety Committee, the Board has developed a robust and thorough COVID-19 Health & Safety and Employee Wellness Handbook. Additional information about this comprehensive document will be available in the new future.

In order to plan for the upcoming school year, the board will be requesting all staff to complete a CONFIRMATION OF ATTENDANCE FOR SEPTEMBER 2020. .

The purpose of the form is to collect feedback and input from Staff in regard to their intentions to return to the workplace for planning purposes. For those Members who indicate they are not able to return to work due to individual circumstances you will be prompted to the appropriate resources through a form called e-base.

We encourage all Members to complete the survey and appropriate form as applicable.
