Standing Together for Public Education!

On Saturday, October 24, thousands of education workers, families, and community members stood shoulder-to-shoulder across Ontario—in Sudbury, Thunder Bay, London, Toronto, and Ottawa—demanding better funding and support for public education.

A busload of dedicated EAA members and their friends and family made the trip down to London to join our local Together in Education affiliates! EAA President Lisa Weiler Haskins proudly represented the Educational Workers Alliance of Ontario (EWAO-ATEO) at the rally, adding our shared voice to the thousands calling for meaningful change.
