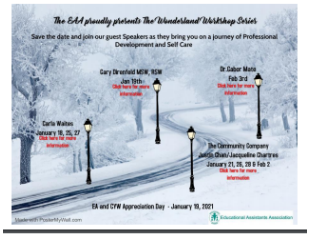
The Latest Information to Keep YOU Informed

Dear Members,

January 19, 2021, is our EA and CYW Appreciation Day.

Click on the links in the attached flyer to access our upcoming EAA workshops tailored specifically for our members and their roles in education. We hope you take advantage of the interactive sessions as they provide professional development and a much-needed distraction.

Please be aware that the planning of the workshops started long before the state of emergency was declared. We have decided to move forward with the presentations and our plan to celebrate the invaluable contributions of our members.



For some, it may not feel like a time of celebration. We hear you and we encourage anyone who has concerns or questions to please reach out to us. We have not stopped advocating for enhanced safety protocols in schools and the importance of clear, concise communication.

We wish you all peace, health and happiness.

Your EAA Executive
