Posting #2310956 – Supply Educational Assistants

The Waterloo Region District School Board is currently seeking applications for 'Supply Educational Assistants'. Supply Educational Assistants will work under the supervision of the Administrator at the school that they have accepted the assignment for and receive direction from the teacher(s) at that site.

Supply Educational Assistants may be required to support students with a variety of special needs. This work includes providing support for the behavior, safety, medical and physical needs of a student.

Successful candidates for the supply position will be working on an "on call" basis from September to June and be willing to complete all aspects of the Educational Assistant Role.

Qualifications/Requirements:

Must have an EA DIPLOMA OR equivalent college or university degree in a CHILD RELATED field (Please note that Thomson Direct correspondence, St. Louis Adult Learning EA and Stratford Career Institute courses are examples of qualifications that will not be accepted). For further clarification, the ECE certificate/degree is not an acceptable qualification (on its own) for the EA Supply role.

Having a current BMS (Behaviour Management Systems) training certificate would be considered an asset.

Applicants must be willing and have the physical ability to support students with many diverse needs (including toileting/lifting), ability to communicate effectively with staff and students and must be available on a short notice for supply positions.

The rate of pay is in accordance with the collective agreement between the Board and the Educational Assistants Association.

Notes:

The successful candidate will be required to provide a satisfactory criminal background check with the vulnerable sector, which must be received in Human Resources prior to the commencement of employment. A condition of employment requires that you pass the WRDSB's physical testing component. Additional information will be provided during the interview.

Application Package Should Include:

ApplytoEducation Application
Cover Letter
Resume

APPLICATIONS MUST BE SUBMITTED THROUGH APPLY TO EDUCATION, APPLICATIONS WILL NOT BE ACCEPTED IN HUMAN RESOURCES.

The job posting # on Apply to Education is #2310956.

We thank all applicants for their interest and wish to advise that only those selected for an interview will be contacted. **No phone calls please.**

"The WRDSB is committed to equity for all students and staff, and to delivering the highest quality education through a qualified workface that reflects the diversity of the communities we serve.

Upon request, we will provide reasonable accommodations in the hiring process to support applicants with disabilities".
