The Latest Information to Keep YOU Informed

On Friday, March 15, 2019, the government announced massive funding cuts that will have a detrimental impact on our students. The strongest message we can send to this government is we stand in Soliditary with all our Education Allies in Ontario. We are concerned about the potential job losses to teachers and support staff, as school boards shuffle funding. It is imperative that the EAA sends a strong message to the government that we do not accept these cuts. The rally is being held in conjunction with other Education Unions and Members are attending from every corner of the Province. Will you be there standing beside us?

We need to order a bus promptly and will need to report our numbers by ***Monday, April 1 midnight***.

Please click below to register to ride with us on the bus to Toronto. This is a costly endevour so if you register please make sure to attend!
