The Latest Information to Keep YOU Informed

Dear Members,

As you know, for the past several months we have been pursuing a grievance regarding the board's practice of scheduling our members for two unpaid eighty-minute breaks during a single shift. This matter recently went to arbitration where Peter Chauvin decided in favour of the school board regarding this issue. Hence, for the time being, we anticipate that the board will continue with its current scheduling practices.

We anticipate raising this matter again at the negotiating table next round. Please don't hesitate to contact me should you have any further questions.

Yours,

Kathryn Pittman
President, EAA
