The launch of the new EWAO-ATEO provincial benefits plan has been delayed until March 1, 2018. In the meantime, you will continue to receive benefits with your school board.

The EWAO-ATEO Council was recently informed by OTIP that they will not be ready to transition our Members to the new benefits plan on February 1, 2018 as previously announced.

During the past number of months, the EWAO–ATEO Benefits Committee has worked closely with the OTIP team, promptly responded to queries and provided all requested information to ensure that tight deadlines were met for a successful February 1, 2018 launch of our new provincial benefits plan.

On December 21, 2017 OTIP informed the EWAO–ATEO Benefits Committee that despite best efforts, they continue to experience significant technical difficulties in obtaining complete, and accurate data

from school boards that is in a compatible format with their computer system. Until these issues are resolved, they cannot guarantee that member records will be accurate and in good order during the enrollment process. To ensure that our Members will experience a smooth transition to the new plan with minimal issues, our transition date has been postponed until March 1, 2018 .

The Ministry of Education and the school boards have been advised of this delay and **a directive has been given to ensure that our Members will continue to receive existing benefits through their board until the new transition date.**
