The Latest Information to Keep YOU Informed

Monday, September 30, 2019

Dear Members,

It is with a heavy heart that I wish to inform each of you that I have decided to resign from my position as EA Rep with the Educational Assistant Association. As many of you are aware, my family went through a tragic loss last year. After much consideration and debate, I spoke to Colleen and the Executive earlier this month and I have decided that I am no longer able to adequately focus the appropriate energy and time to the EAA that I feel it deserves. Instead, I am going to use the time to create some space in my life to deal with my grief.

I have been honoured to serve with such amazingly strong dedicated women over the past three years and I am proud of what we have accomplished together as an Executive team. I have the utmost faith in their ability to reach the EAA goals and support the Membership. I will continue to be an ally and supporter of the EAA and will lend any help the EAA needs from me.

Thank you to the PD Committee - Carrie Frickey, Christine Polak, Heather DeBrusk, Kathryn Pittman and Jennifer Carpenter for the support during the last two PD Events.

Thank you to all the Keys that have reached out and supported me, the Executive and the Membership through their volunteer efforts.

Thank you to all the Executive that I have served with over the past three years and the support I have received from each of you.

Lastly, thank you to the Membership that elected me and has continuously been an ally for both myself and the EAA.

I am so appreciative of the friendships and experiences that I have made because of this Membership. You are each amazing valuable assets to the

WRDSB. I encourage each of you to put your name forward and become involved. We are all in this together.

Best Wishes,

Angela Mota
