The Latest Information to Keep YOU Informed

**Educational Assistants Association Members,**

**Recently, you have received emails to your work account introducing the Board's wellness initiative 'Plasticity'.**

**Your Educational Assistants Association fully supports our Members participation in the Plasticity insights survey. We see it as a starting point to providing valuable feedback to our employer on the organizational health, wellness and safety of our workplace.**

**We want all EAA Members to know that their participation in the survey should have no negative consequences in their jobs, and we are confident that responses are anonymous and cannot be traced back to identify an individual.**

**Please let us know if you have further questions or concerns,**

**Regards,**

**Lisa Weiler Haskins**
**Health and Safety Officer**
**Educational Assistants Association**

**Lynn Wilson**
