The Latest Information to Keep YOU Informed

Good morning,

The Board is currently hiring for Extended day for Sept. 2018. These jobs will begin on the **first day of school and continue to September 16th, 2018.**

These are not the usual Term jobs for Extended Day. These are Supply jobs.

The union has informed the Board that any job that begins on the first day of school for 2018 will be considered a Perm job as per our Collective Agreement.

The Board has said that any of these jobs will remain Term and that for the first two weeks of September the people who are successful in getting these jobs **will not be eligible for the SAME job after September 16th.**

eg: if you work at the Extended day program at Highland Public School in Cambridge starting the first day of school you will not be able to apply for that job at that school after September 16th. If you want to work in Extended Day at a specific school then do not work the beginning of the school year there.

These jobs, as Term jobs, will still be available after September 15th and while you will make "contacts" at school as stated in the memo from the Board, you can not be hired at that school into Extended Day.

whole school year.

I hope everyone is enjoying their summer, taking the time to recharge your energy and relaxing,

Kathryn Pittman, President of the EAA
