Educational Assistants Association

Inclement Weather

If you have taken an Inclement Weather Day, and the Board has notified you that you will be having a pay deduction, you must let the office know. Please reach out to the office by Monday, December 16, 2024, at 4:00 pm.

Email the Office - Click here

In brighter news... We had four members join our group blood donation on Giving Tuesday. Even one donation is enough to make a meaningful difference but it often takes more than one donor to save a life. Together we made a significant difference and it means the world to the patients across Canada who receive blood transfusions every day. Thank you and we hope to see more members on our next group donation.
