Provincial Bargaining UPDATE
September 25, 2019 - Issue 3

Dear Members:

As you know, our Educational Assistants Association, as part of EWAO-ATEO, has now finalized its Scope Agreement with the School Boards and Provincial Government. Our next bargaining meeting will be on October 2, 2019 at which time we will be exchanging bargaining positions.

Many of you have now read that CUPE intends to begin a Work to Rule Campaign as early as next week. We are Members of the EAA and EWAO-ATEO. We are NOT Members of CUPE. As such we are not taking part in their Work to Rule Campaign. Hence, for the time being, Members are to continue to report for work and complete all their duties as usual.

In the event that we decide to initiate a job action or strike in the future, the first step would be to call for a strike vote. Then we would have to give notice of our intention to take action - all of which takes time. This means that you would have a number of weeks to prepare beforehand.

Rest assured that we are taking all the necessary steps to ensure the best possible bargaining outcomes for our Members. Please do not hesitate to contact us should you have any concerns or questions.

Warm regards,

Colleen Dietrich Sisson
President - Educational Assistants Association
