The Latest Information to Keep YOU Informed

Good afternoon, in the past people were allowed to request an unpaid leave during the school year with very little notice.

However, because of the fails to fill happening in the system unless you follow the request with the language in the Collective Agreement, giving three months notice any further requests for unpaid leaves will be denied.

If you are planning a holiday please take this information seriously. Most trips are non-refundable and you will be out of pocket for the cost.

EAA President
