Educational Assistants Association

Season's Greetings

This is that magical time of year when children are excited about the days to come when they will be at home for two weeks celebrating with their families. School are planning holiday concerts and parents and grandparents alike are eager to see their little ones singing, dancing and reciting stories of celebration.

The reality of these concerts is that without the support and encouragement from you many of these students would not be able to participate with their peers, and be successful in their school day. Don't forget to celebrate these successes as well!

We hope that you will take the time to enjoy your friends and family, relax, read or go for a crisp walk looking at the holiday lights .

Enjoy the break, relax and rejuvenate your bodies and minds, see you in January 2019.
