The Latest Information to Keep YOU Informed

Welcome back!

As we start the 2018-19 school year, I'd like to remind everyone to remain proactive and diligent when it comes to your mental and physical health and safety.

In September, incidents and injuries reported by EAA Members are traditionally high. Some of the factors that contribute to this increase are lack of information, summer transition and new schedule or routine.

Often, the SERT or the classroom teacher will be your direct line of contact for information. We encourage open dialogue and professional collaboration with your team.

It is important to direct any on-going health and safety concerns and hazards to your Administrator. They are ultimately responsible for the health and safety of everyone in the school. An email notification is best practice to ensure clear communication.

Many of you have volunteered to go into school this week to attend meetings, pick up your schedule, read safety plans and prepare classrooms. As our Association continues to advocate for equity and inclusion in this regard, this practice may be necessary to secure personal health and safety.

Finally, be sure to document incidents in behaviour logs, tracking sheets, ABC charts etc. If there is an injury to staff, complete an HR-05-770 incident/accident form and notify your Administrator.

Supporting and affirming staff and student well-being is one goal that our EA Association and the Board share. Together, through commitment, professionalism and leadership, we will achieve this result.
If you have any questions or need more information, please contact me through the EAA website at https://wrdsbeaa.com/our_team/lisa-weiler-haskins

I wish you all a safe and fulfilling year!

Lisa Weiler Haskins
Health and Safety Officer
Educational Assistants Association

Dates to Remember:

- September 20, 2018 - KEY EA Meeting
- September 21, 2018 - PD Day (Elementary and Secondary)
- October 8, 2018 - Thanksgiving
